

Rinnai Nationwide Vehicle Wrap Warranty

The vehicle wraps are produced using 3M quality materials, adhesives and inks with a U.V. clear coat applied to prevent fading, cracking and peeling. The wraps are applied by 3M Certified Applicators that are licensed, insured professionals and possess a minimum 10 years experience in vehicle wrap applications.

Graphic Warranty

The solid opaque graphic material that is applied to the vehicle body carries a 3M manufacture warranty not to fade, crack, peel or edge lift for a period of 3 to 5 years.

The window graphics material that is applied to the vehicle glass carries a 3M-manufacture warranty not to fade, crack or peel for a period of up to 1 year. This material has over 50% of the adhesive and vinyl punched out for viewing so the adhesion level is much less. It is impossible to detect how long window graphics will last on vehicle glass. There are examples of the window-perforated material lasting up to five years. The durability seems to be determined on the vehicle's location weather conditions, how the vehicle is maintained and whether it is garaged or stored in the outside elements.

Damaged Graphics Replacement Pricing

Vehicle wraps get damaged the same way as painted surfaces and need to be replaced from time to time. For that reason, we produce these graphics via computer-generated files and are able to produce sections of the graphics upon demand. The following is a list of graphic pricing for replacement sections.

Description	Decals	Apply
Solid Body Graphic Panels (48"x 80")	\$150/Panel	\$75/Panel
Entire Side Graphics (no windows)	\$500/Side	\$400/Side
Entire Rear Graphics (no windows)	\$350/Rear	\$200/Rear
Solid Bumper Graphics (entire bumper)	\$150/Bumper	\$75/Bumper
Window Perforated Graphics	\$75/Window	\$50/Window

All prices include production of the graphics and application by a 3M Certified Applicator. There is a minimum Application Trip Charge of \$250 and each location will need to be reviewed for location of applicator prior to final pricing. Prices do not include shipping, which is based upon urgency and dealer location.
