

Rinnai Vehicle Wrap Steps

Step 1

Download the following documents: Order Form, Vehicle Wrap Process Outline, Checklist, Warranty and Maintenance Instructions.

Step 2

Follow the checklist to ensure a successful ordering and installation process. Make sure that all information on the Order Form is legible and correct. You will need to fill out the customer contact information, year, make & model of vehicle and select the design option as provided. To ensure consistency of Rinnai brand, the options available have been approved by Rinnai Marketing and the dealer will be able to provide company logo, contact information such as phone number and web address in a designated area). Fax or email the order form as provided on the Order Form.

Step 3

Review and approve detailed pricing proposal provided to dealer once received by vendor.

Step 4

Provide accurate dimensions for the vehicle. This is a critical step. The dealer can request at an additional cost to be determined, an approved professional applicator visit the location of the vehicle to take photos and dimensions to submit or the dealer can elect to provide the dimensions and photos to submit to the vendor. The dealer assumes full responsibility for all dimensions provided.

Step 5

Email company logo (EPS file format only) and PMS colors.

Step 6

Review and make changes or approve layout of all 4 sides of the graphics to the designated email or fax provided by vendor. Once the final layout has been approved, the project will be put into production and can be expected within 4 - 6 weeks.

Step 7

Submit payment of graphics and application fees. Payment is due prior to shipping of graphics (see terms of agreement).

Step 8

Once the payment has been received, the graphics will then be shipped to the dealer at the address provided on the order form. The dealer must confirm receipt of graphics and the vendor will call to schedule an appointment to have the certified, trained applicator from their database apply the vehicle graphics. The dealer assumes responsibility for prepping the vehicle prior to the application of the graphics such as making arrangements due to inclement weather, thoroughly cleaning the vehicle, drying and storing indoors 24 hours prior to scheduled application.

NOTE:

Any dealer wanting to submit for co-op must receive approval from their Rinnai Area Manager prior to signing the contract with the vendor. All processing of submitting orders, payment, warranty will be handled between the dealer and the vendor.
